2025 Fundraisers

Spring Soiree & Author Talk

Our Annual Fundraisers

Our annual fundraiser and author talk helps ensure that the Mystic & Noank Library continues to be a vital and vibrant resource and gathering place for all.

Ongoing support from our community is more important than ever. The Mystic & Noank Library receives less than 30% of our annual funding from state and local government allocations. We must rely on philanthropy for the balance of our operating income (over 70%) in order to maintain the same high quality programs and services for our patrons.

Our annual fundraising events are an opportunity for us to generate a portion of our operating income to help serve us throughout the year.

**Your support makes
everything our library
does possible.**
